Berman Capital Advisors Named to 2015 Financial Times 300 Top Registered Investment Advisers

ATLANTA, June 18, 2015 – Berman Capital Advisors is pleased to announce that it has been named to the Financial Times 300 Top Registered Investment Advisers, as of June 18, 2015. The list recognizes top independent RIA firms from across the U.S.

This is the second annual FT 300 list, produced independently by the FT in collaboration with Ignites Research, a subsidiary of the FT that provides business intelligence on the investment management industry. More than 2,000 elite RIA firms were invited to submit their information, based on their assets under management (AUM). The RIA firms were then graded on six criteria: AUM; AUM growth rate; years in existence; advanced industry credentials; online accessibility; and compliance records.

The "average" FT 300 firm has been in existence for 23 years and manages $2.6 billion in assets. Berman Capital Advisors was founded in 2010 and will be celebrating their fifth anniversary later this year. The 300 top RIAs hail from 34 states and Washington, D.C., and, on average, saw their total AUM rise by 18% in 2014.

The FT 300 is one in series of rankings of top advisers that the FT developed in partnership with Ignites Research: the FT 401 (DC retirement plan advisers); the FT 400 (financial advisers from traditional broker-dealer firms); and the FT 100 (women financial advisers).
